RILEY EVANS and ALEXIS TEXAS

These two take a few moments exchange searing kisses and caresses, and then it's back to Riley's place. Once the girls are settled on the couch, it's not long before they start shedding their clothes. Soon after their mouth and fingers get to work with their soft sweet bodies and finally the dildos come out for some added excitement.

STEPHANIE ADAMS

Stephanie was suppose to go shopping with her bff, but she cancelled. So she had some free time for Kurt, who came over. They had an idea of what they could do to kill some time. While Stephanie was hesitant at first, she came around and they began kissing and undressing each other. Soon she was sucking his cock and he was ramming her pussy until he gave her a huge, wet smiling facial.

Bookworm

I already decided when I turned 18, I wanted Mr. Burris to pop my cherry. All of my girlfriends thought I was weird because Mr. Burris is in his late thirties and not at all athletically built or cute. Since he owns a bookstore and I'm the intellectual type, though, I've always found him very attractive. So one hour after I'd blown out the candles on my birthday cake, I showed up at his store waving a gift certificate I'd received from my mother.

He was just closing up, but he let me in, then locked the door behind us and went into the back to do some paperwork. As soon as he was out of sight, I nervously stripped down to my birthday suit, fluffed out my long black curls, and marched right into his office. The look on his face was priceless. "I'm all grown up now, Mr. Burris!" I declared, striking a sexy pose. "But it's up to you to make me a woman!"

Mr. Burris isn't a stupid man. It only took him a few seconds to realize that he'd hit the jackpot. First he ogled my high, plump, pink-nippled tits, my sleek hips, and my long legs. Then he slowly pulled me into his arms and kissed me hard.

Whimpering softly, I melted against him as his thick tongue slithered past my parted lips and his hands moved over my trembling body.

I'd never been more aroused in my life! When he broke away to nurse on my stiff nipples, I impulsively reached for his crotch. What a bulge! I could hardly fit my hand around it!

Shoving his pants down, I fished out his massive cock and frigged him like crazy until he was spitting droplets of pre-cum into my palm. Then I nudged him back against his desk and quickly dropped to my knees.

"Suck it, Diana!" he hissed,

entwining his fingers in my flowing ebony waves. "Please! Put it in your mouth!"

That was just what I had in mind. Stretching my jaws, I let him guide his cock across my fluttering tongue until his knob was teasing my tonsils. Then I wrapped my lips around him and swallowed him down. His cock was so large that I nearly choked, but I couldn't resist that wonderful thickness. Soon I was bobbing furiously up and down his meaty length.

"That's it, honey!" he moaned, bringing one hand around to fondle my jiggling tits. "Suck my big cock, you little tease! God! How I've dreamed of this!"

Anxious to taste his jizz, I hollowed my cheeks to increase the suction. Meanwhile, I slid my index finger back along his ass-crack to tickle his pucker. That really sent him into overdrive. Bucking his hips violently, he slammed his cock down my gullet and emptied his huge, hairy balls. I had to swallow fast to get all his creamy load, but I didn't get much time to enjoy it. The next thing I knew, I was being lifted up, swung around, and set up on his desk with my thin legs splayed wide apart. Planting hungry kisses along my swollen tits and quivering belly, he quickly made his way toward my gaping pink pussy.

"Oh, Diana!" he whispered when he was finally nuzzling my dark, furry mound.

"Eat my pussy, Mr. Burris!" I cooed, peeling my slick labes

open. "Use your tongue on me!"

He didn't need a second invitation. Sliding both hands under my wiggling ass, he dived face-first into my waiting crotch and shot his tongue out at my drooling, teenage pussy. It was like a bomb exploded inside me. Screaming with delight, I clamped my thighs around his bald head, grabbed the back of his neck, and feverishly humped his swirling tongue.

"Oh, god! Yes!" I wailed. "Make me come! Please! Make me come!"

But my new lover had other ideas. Before I could detonate, he spread my legs, struggled to his feet, and worked his fat knob into my moist opening.

"Are you ready, sweetheart?" he panted.

"Hell, yes!" I snapped, gawking in amazement at his recharged cock. "Pop my cherry, Mr. Burris! Fuck me!"

I'll give him this—he went slow. Inching his swollen cock into my virgin pussy until his chunky crown prodded my hymen, he grabbed my quivering haunches and lunged forward with a sharp grunt. I felt a slight twinge in my tummy, followed by a sudden rush of warmth that spread throughout my entire body.

"Ahhhhh! Mr. Burris!" I hollered, locking one leg over his shoulder and the other around his waist. "Give it to me! Harder! Harder!"

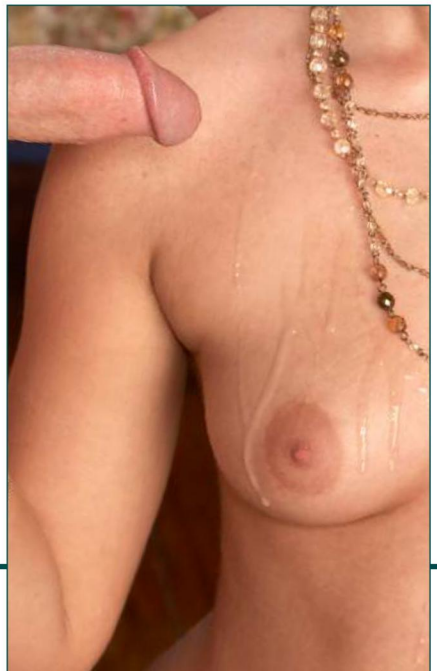
That was all he needed to hear. Clutching my rolling hips, he rammed his cock in and out of my pussy with all his strength, making me whimper hysterically and lift my ass off the desktop to meet him thrust for thrust. That

guy fucked me senseless for what seemed like forever until neither of us could take it any more.

"Ohhhhh, yessss! Mr. Burris! I'm…I'm coming!"

"Ah, shit! Me, too!" he huffed, pumping me at top speed.

"Come inside me!" I told him breathlessly, as the tremors of my orgasm washed over me. "I'm on the pill!" That had been my secret present to myself. Once Mr. Burris knew I was safe, he buried his spewing cock in my young pussy and filled me up with warm, sticky



spunk.

Now Mr. Burris and I fuck all the time. Like I said, my friends think I'm nuts, but what they don't know is that sometimes the wimpy guys have the biggest surprises in their pants.

– Diana, Michigan

Knob Job

I'd lined up to see this cool new horror flick when I spotted a beautiful girl looking my way. I glanced around to see who she was smiling at, then I realized it was me! Hey, I'm not ugly, but I'm not exactly Mr. Stud Muffin, so it was flattering that a hot chick like this big-titted babe was making eyes at me.

She stood with two others just as fuck-worthy as she was—all of them were wearing tight tops that accentuated their round titties. My mouth started to water, and I knew I had a boner. They looked about my age, 18 or so.

The first girl studied my crotch, then licked her full red lips. Just then the line moved forward.

When I got inside, I glanced around but didn't see the trio. I shrugged and slipped into the last row, which I think has the best seats in the house. I was completely alone…or so I thought.

While I was eating my popcorn, someone slid into the seat next to me. It was the chesty babe.

"Hi."

"Hi," I replied. "Popcorn?"

"No thanks." She leaned closer. "What I really like are cocks."

Whoa! I'd suddenly lost all interest in the film. She slid between the rows of seats and pushed my legs apart. "What are you do-

ing?"

She unzipped me. "What's it look like? I'm gonna give you a blow-job!"

"Not that I'm complaining—but why?"

"I lost a bet with my friends, so I gotta suck a guy's cock. I selected you 'cuz you're cute—and you looked like you had a big cock. I wanted to do it right, you know—this is my first time."

Oh wow, an oral virgin! I leaned back in my chair. "Go ahead, babe. Suck it all out."

She blew lightly on my cock's flared head, which felt really good.

Then she ran her tongue along my cock, up one side and down the other. Her tongue played with my piss-slit, and she tried to force her tongue in it.

She reached inside my jeans and squeezed my balls as she slipped my cock all the way inside her mouth. Well, I almost came right then and there, but I told myself not to go so fast. I'd totally forgotten the movie as this girl sucked my nine-incher. I pressed her head into my groin, and I heard her gag as my cock slid down her throat.

"I want you to deepthroat me. You can do it."

She nodded and sucked and sucked, her tongue playing with my cock the entire time.

In the meantime her two friends sat down on either side of me. One took my hand and slid it inside her shirt. I pinched her wide nipple, then pulled it hard. She wiggled in her seat. The girl on my right brought my hand up under her skirt, and imagine my surprise when I found that she

hadn't worn panties. She had a shaved cunt, too, which is my absolute favorite. I grinned. This was getting better and better!

I rubbed her smooth mound, then dispensed with pleasantries and worked a finger into her wet cunt. I drew it out, then poked it deeper. She was one tight number, so I thought I'd loosen her up a bit. I slid another finger inside her quivering cunt, then a third. I chuckled and added a fourth. She gasped as my fingers, full of her cunt-juice, opened her good.

My cock throbbed and pulsed in Blondie's mouth until she came up for air, gasping. I was pinching and squeezing Miss Titties, making her writhe, while Miss Wet Cunt came not

once but twice as I fingerfucked her sopping slit. The smell of wet cunt wafted across the theater, obliterating the odors of popcorn and nachos.

Blondie raked her nails across my balls, then sucked my cock deeper. God, this was incredible! I jerked my hips forward, fucking her face hard, and she loved it. She moaned and slurped, really making a lot of noise! It was a good thing we were the only people in the theater.

"Ahhhh," I said, feeling a surge at the base of my cock. "Oh god, here it comes." My hot jizz exploded, splashing her tonsils. She moaned, swallowing all my steaming spunk. One girl applied herself to noisily sucking Blondie's big tits, and I pumped my cock in her mouth again.

Finally I leaned over and kissed her, tasting my custard on her full lips. "You were fantastic, baby. You wouldn't want to have a cock up your cunt or ass, would you? How about all three of you?"

"We can't today. We're just doing oral. But maybe tomorrow?"

"We?"

Blondie giggled. "Oh yes, my friends have to suck a guy's cock. And since we all like yours… guess what?"

Miss Titties elbowed her friend out of the way and nibbled along the flared tip of my cock. Maybe, I thought as I eased a finger into Blondie's cunt and another in the third girl's tight ass, I could sit through a second feature. I didn't mind, and from their ecstatic moans of pleasure, I didn't think they did, either.

TOP 10 SEXUAL FANTASIES FOR WOMEN

Possessing personal affinity for raw, sexual articulation, our creative juices really begin to flow when imagining sexy people, with varying lifestyles, engaging in amusing bouts of sexual pleasure. Through playful expression, naughty fantasies and from delicious anecdotes selected from our personal repertoire of thirst-quenching interludes, we proudly present you with the top 10 sexual fantasies for women that are sure to tempt, tease and arouse your senses. In the spirit of hardcore sex, let these erotic desires transport you into a whimsical world where passion, love and lust are only a fantasy away.

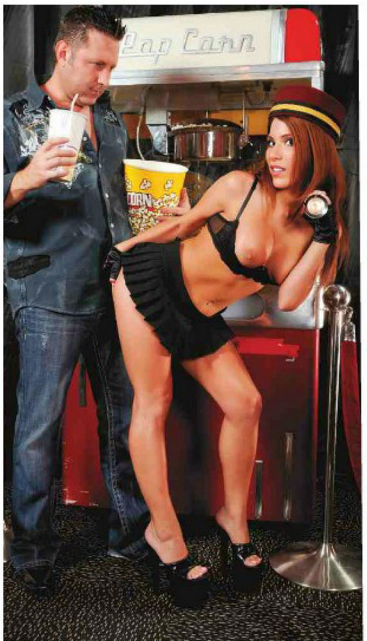
Whether they are created and indulged in during your private masturbation sessions, or with your significant other, sexual fantasies can be erotic accoutrements to any sex life. In fact, fantasies are excellent ways to spice up sexual relationships and breathe new energy into a love life that has become monotonous, routine, or is simply running out of steam.

Another important aspect to mention before we begin is in order to help your partner shed their sexual inhibitions and get to the next phase of your sex life, please refrain from making fun of their secret fantasy once it is revealed to you. This can be a very vulnerable and exposing revelation for some people. If their idea of the perfect fantasy involves chains, whips, and doesn't necessarily coincide with your own idea of bedroom fun, please try to indulge them with their fantasy this one time. You can modify and tweak the fantasy to better suit your own tastes and develop an encounter that satiates both of your secret desires. Of course, this all becomes invalid if you feel the act they are exposing you to is dangerous, or is deemed too lewd and degrading for you to enjoy. The object here is to be turned on, not off. With that said, it's time for the first sexual fantasy to unfold and for you to make her wet dreams cum true...

1. The Stranger Fantasy

Although this may sound very dangerous and criminal, the random act of being sexually devoured by a stranger, rates amongst the top for most women. The feeling of a man walking in and taking control of their body is too hot to handle. It's the feeling of complete submission that drives women wild. Come on now, what woman hasn't fantasized about a man coming in and ripping off her silk pajamas? The fantasy is real, hot and should only be explored by more sexually adventurous couples.

In addition, by no stretch of the imagination would we ever condone a person acting out this fantasy on a complete stranger. These fantasies are specifically designed for couples to reenact in their private lives or for individuals to fantasize about in their private time. However, in every situation, whether the woman is your significant other or not, if the women declines your sexual advances, no means no!



2. The Stripper Fantasy

Who doesn't love a stripper? They are hot, free-spirited exhibitionists that are open to having a great time with their clothes off. Since most women feel this moral, personal, and/or cultural obligation to stay virtuous and chaste throughout their lives, they often feel sexually inhibited as a result of these expectations that have been placed on them. A great way for some women to break free from those sexual restraints is to step outside of the box and expose themselves to an audience full of onlookers. Since many strippers and porn stars describe the act of stripping in front of large audiences full of salivating men to be very freeing and sexually empowering, we can only imagine that these strong characteristics are the driving force behind this scorching fantasy.

So, how about watching a few striptease videos, there are plenty to choose from, and create a sexy routine to dazzle your lover with? It's time to step outside of your perfect little world and get nasty. Shake your tits in his face and make him want you. In addition, aside from all of the bills he should be shoving inside of your G-string panties, remember, there is no touching... at least not yet!

3. Role Reversal

Since we still live in a male dominant society, many women have the fantasy of switching roles and taking on the characteristics of her male counterparts. She may fantasize about what it would be like to have a hard cock in her pants or the feeling of penetrating a woman with her big stick. Along with this popular fantasy comes the desire to feel dominant over her lover and make him fully submissive, succumbing to her complete sexual control. Some women may achieve this fantasy by actually fastening a strap-on cock around their waist and going for it, while others may only want to boss their male lovers around, showing them who is boss. In either instance, don't forget the lube!

4. Group Sex/Swinging Sex

Whether a woman is in a relationship or not, many have the fantasy of either sharing herself or her partner with others. For some women, it is a total turn on to imagine their man ravaging another woman in front of them. Essentially, it is like having a porno made for your exclusive pleasure. From the vantage point of being the on-looker, she can see the way her man looks and loves while he is fucking another chick. In contrast, the woman may also be dying to see how another man or woman feels inside of her own body or the way another person kisses her lips (either set) especially if she's been in a monogamous relationship for a long time. Either way, the thought of having a room filled with strangers to pick from is a huge aphrodisiac for many women.

5. Lesbian Sex

Many women fantasize about what it would be like to have sex with another woman. The thought of licking her pussy, tasting of her juices and sucking on her pair of ripe titties, is just as much of a turn on to some women as is the thought of sucking on a hard cock. Moreover, since women know their bodies, inside and out, many fantasize about another woman going down on them, or vice versa. In fact, many women who consider themselves bisexual agree that women give better head than men because they know exactly what it takes to make a woman feel good.

6. Sex In Public

In an effort to spice up their sex lives or help make themselves feel more sexually free, many women fantasize about having sex in public. In fact, during the duration of this fantasy, it is the feeling of being caught or spied on that really adds velocity to this recurring fantasy. For instance, the thought of a man tearing her panties off and fucking her wildly across a picnic bench is more than most women can handle. And, just to spice things up a little more, the thought of joining the Mile High Club or taking a seat on her lover's lap during a major sporting event, is a surefire way for any woman to score a touchdown!

7. Submission

Many women fantasize about their men taking complete control over them, manhandling them and using their bodies for his total, male satisfaction. For many women, this fantasy may include restraints, such as cuffs, rope or silk ties, and being told how much of a slut they are. In this fantasy scenario, many women also envision her man telling her exactly what to do in bed. Other women take things a step further by imagining defying their dom. This act of defiance is a total panty soaker for many women during this fantasy scenario.

8. Dominatrix

For the women who fantasize about role reversal, they too may have desires of dominating their men. This fantasy may include kinky accessories and having their lover succumb to their every sexual whim. Women who must answer to men at work or don't feel like an equal in their personal relationship with their significant other may adopt this fantasy as a way of empowering themselves and breaking free from those controlling relationships.

9. Interracial Sex

Come on, let's all admit it — we've all heard the stereotypical viewpoint that black men have large penises. This is no secret. And, after viewing many interracial porn flicks, starring celebrated performers with monster meat such as Mandingo, Prince Yahshua and Lexington Steele, we can pretty much concur with this assessment. We can also agree that many women love a man with a big dick. With that said, we have simply slapped both of these notions together in exposing the next female fantasy... sex with a black stallion. The thought of vaginally, orally, or anally ingesting such a big stick is a major turn on for many women. Also, the contrasting colors of their skin tones plays a major role in the attraction, thus propelling this fantasy to new heights. Big Dick-Little Pussy, this is a good one, y'all. Up for a little slit stretching? Yeah, we thought so!

10. Role Playing

Women love imaging themselves as someone else, acting out a sexy character that allows them advanced sexual freedom and exploration. Regarding sexual fantasies, it's always best to have open and honest communication with your partner and choose characters that motivate you, excite you, and gives you both a burst of adrenaline when you think about it. Also, please remember that the characters you both choose must be compatible for the scenario to be most effective. After all, you wouldn't want the kinky cowboy showing up to lasso the Indian princess, only to find a slutty teacher waiting for him instead... or would you?

Our last piece of advice is to have fun with it. After all, sexual fantasies are just as necessary for a healthy perspective, as water is essential for your body. With so many fantasies running wild, your relationships, whether they are with your partner or with you, should never be boring and stale. With that said, it's time to go unleash those frisky fantasies from the confines of your mind and turn your wet dreams into erotic realities.

LEXXXI LOCKHART

Hot brunette Lexxxi (yes, that's three X's in her name) isn't just a big boobed sex machine. She's the real deal, and she's here to make your big booty dreams come true! Although she's only twenty years old, this oversexed hottie has the kind of blowjob, ball-sucking, and fucking skills that some girls take a lifetime to acquire. Fortunately for us, she has them all now and is happy to put them into our photos and videos.
